

OUR VALVES ARE ON THE *MOVE*

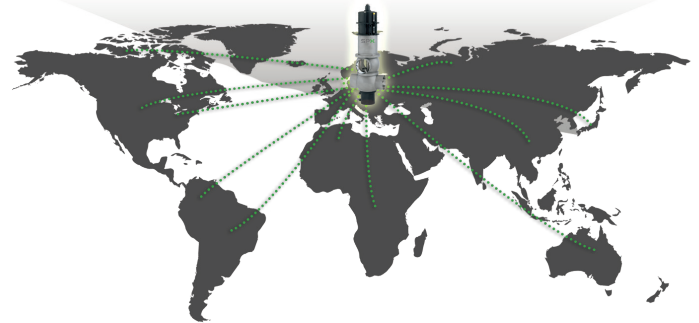

DELIVERING MIX PROOF VALVES FASTER THAN EVER!

Our state of the art manufacturing campus in Europe continues to increase production output and reduce lead times on our world renowned APV hygienic valves.

This allows us to offer **industry leading delivery times** for the most common configurations of mix proof valves. Ask your sales representative for details on our **10-Day Mix Proof Lead Time Program.**

This program is especially beneficial for:

- New valve manifold fabrication
- Existing valve manifold extensions
- Emergency spare valves
- Late-stage project add-on valves
