

SP Series PD Pumps

PRODUCT HIGHLIGHTS

MADE IN USA

WHY SPX FLOW?

The Waukesha Cherry-Burrell brand SP Series pumps are the pump of choice for Pulp and Paper applications. The gentle handling of the pump

design, ability to pump slurries without locking up, capability to run dry and long service life have set the SP Series pumps apart from the competition. SPX FLOW offers a complete range of Positive Displacement Pumps to meet your needs. When it comes to know-how, experience and product range within the field of Pulp and Paper pumps, you won't find a better business partner than SPX FLOW.
