

## NEWS RELEASE

### **SPX Appoints Gerard Lang to the Role of Global Product Manager, Pumps & Valves & Strategic Marketing – Food & Beverage**

**Charlotte, NC USA, June 16, 2015** - SPX, a leading provider of food processing solutions, is pleased to announce the appointment of Gerard Lang to the position of Global Product Manager for Pumps and Valves and Strategic Marketing. In this role, Gerard will lead product development and targeted growth initiatives for the company's APV and Waukesha Cherry-Burrell pump and valve product lines serving the food, dairy, beverage and pharmaceutical markets. He will also coordinate marketing efforts globally across the product lines.

Gerard brings a wealth of experience in engineering, product development, and marketing from positions with Newell Rubbermaid, Titus Tool, and e-commerce start-up Chewy.com. Gerard holds a Bachelor of Science Degree and Master's Degree in Mechanical Engineering from Virginia Tech.

Gerard Lang

#### **About SPX:**

Based in Charlotte, North Carolina, SPX Corporation (NYSE: SPW) is a global, multi-industry manufacturing leader with approximately \$5 billion in annual revenue, operations in more than 35 countries and over 14,000 employees. The company's highly-specialized, engineered products and technologies are concentrated in Flow Technology and energy infrastructure. Many of SPX's innovative solutions are playing a role in helping to meet rising global demand for electricity and processed foods and beverages, particularly in emerging markets. The company's products include food processing systems for the food and beverage industry, critical Flow components for oil and gas processing, power transformers for utility companies, and cooling systems for power plants.
